Current academic work and accomplishments: Summarize your current academic work or research in African Studies, including any publications you have had and awards or honors received. Please feel free to attach additional information.

Statement of Purpose: Please attach a 2-3 page statement about your previous academic or professional experience and future career plans that you believe specifically qualify you for a summer Fulbright-Hays Group Projects Abroad Fellowship to study advanced Yoruba. Please describe how your participation in this project will contribute to your academic career and/or professional plans.
