If you are admitted to this program, you have the right to view this recommendation. Some people prefer not to complete recommendation forms unless they can be assured of the confidentiality of their comments. It is our opinion that comments provided on a confidential basis are likely to be more helpful to us in judging important characteristics such as creativity, originality, independence, and research capability. Therefore, the university is affording you the opportunity to waive your right of subsequent access to this recommendation form. In any event, your application for admission into this program will be given full consideration based on all the information in your application, including this form, regardless of your decision on waiving your right of future review.
